Hi Knuckle-sama, do you have a list of your top 10 GB/GBC pokemon rom hacks?

^ | v • Reply • Share ›

**Knuckle San** Mod → EVIL\_KIKIAM • 6 months ago

No. Funnily enough, I stopped playing rom hacks regularly many years ago

I think you have the main candidates down. It's interesting how few there But it's incomplete and not even in English.

I guess there's the hacks with the spaceworld demo mons but those are

I found an interesting hack that is not on the list, here:

Pokemon Crystal Leaf (You have a rival who follows you around)

<https://www.romhacking.net/...>

And here is a link to the prepatched file (I patched it myself using Crystal V1.1),

Hope this helps haha!

Do tell if you need any help with anything, I know how to patch roms

(I kinda collect everything I come across since I want to help with

Edit: Oh I misread it and just noticed you had already uploaded the

Someone did post on reddit that they were making a site that  
potential was pretty good.

The site in question: <https://pkhax.com>

Yep, I saw that one. Well, it's meant to be a community run  
doesn't seem like I'll ever get the time to flesh it out until/

**Lolight2** → Knuckle San • a year ago

Thanks for going the lengths you do for the community!

I would love to see that project come to fruition but it seems  
Now that I know it is meant to be community driven I might  
to have a central spot with the most accurate and up to date  
haha)
